Vercel: Create a Vercel account

First, create a free account on vercel.com.
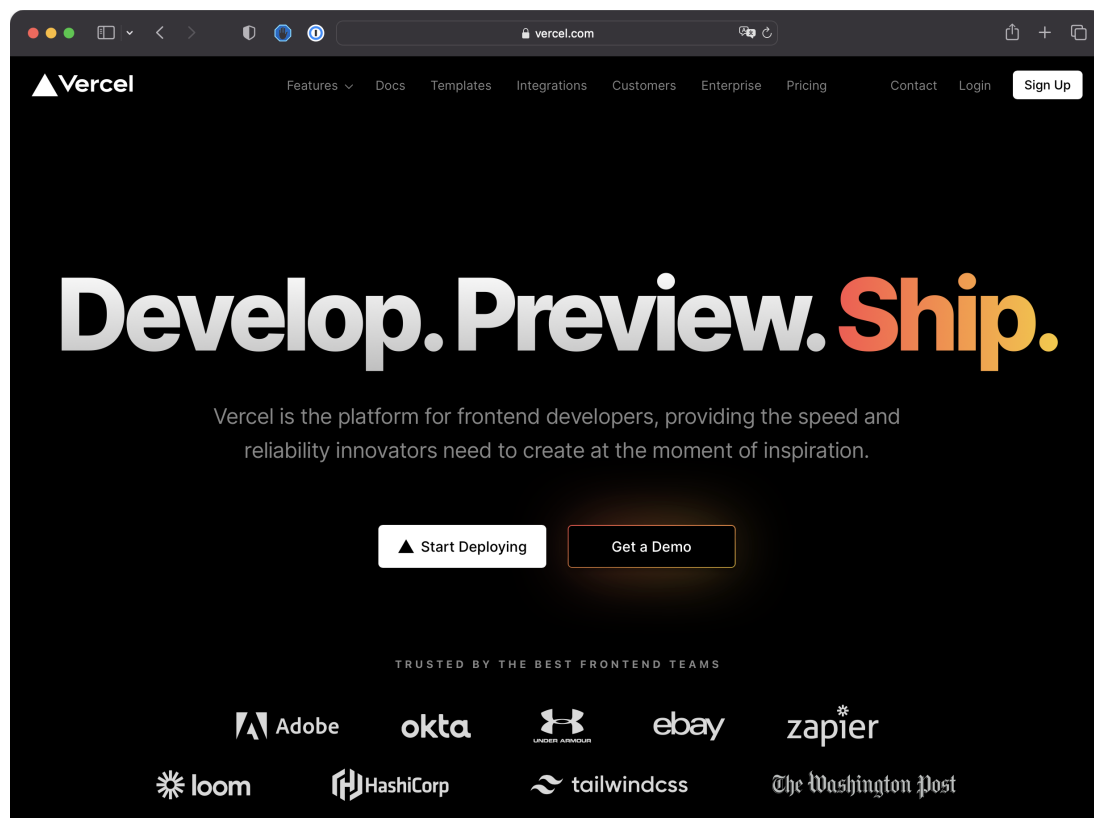

Go to the website and click "Sign Up" on the top menu. You can sign up using email, or if you prefer your GitHub account I use this system as it makes things much easier.

Authorize Vercel to access the GitHub data:

◄ Introduction   ► Deploy to Vercel

Lessons in this unit:

0: Introduction
1: ► **Create a Vercel account**
2: DEMO Deploy to Vercel
